### Details:

On Wednesday, May 13, 2015 the Boone County Sheriff's Department Cyber Crimes Task Force arrested a Jefferson City resident on the suspicion of the production of child pornography involving a 14 year female from Boone County.

The investigation began in March 2015 when the Cole County Sheriff's Department initiated an investigation regarding sex acts involving several minors and the suspect. The suspect was charged with several counts of sex crimes involving minors in Cole County, Missouri in March 2015 and eventually released on bond. A forensic exam was completed on the suspect's cell phone and found additional evidence regarding sex acts involving a minor female.

The Cole County Sheriff's Department was able to identify the 14 year old female who lives in Boone County. A Task Force investigator received additional statements from the minor that places the suspect in the minor's residence where the suspect videotaped the sex acts involving the minor and two other male subjects.

This investigation is still ongoing to identify the male subjects.

The suspect is identified as 37 year old Andrew Clayton of 2417 St Louis Road, Jefferson City, Missouri. The suspect was arrested on suspicion of the 2 counts of Sexual Exploitation of a Minor. No bond was set at the time of release.

All suspects are considered innocent until proven guilty in a court of law.

The Boone County Sheriff's Department Cyber Crimes Task Force is comprised of investigators from the Boone County Sheriff's Department, the Boone County Prosecuting Attorney's Office and the University of Missouri Police Department,.
