Location: Boone County

Case Number: 2016-3078

Details:

On Thursday, June 16, 2016, a 27 year old Boone County man was arrested on child pornography charges.

This is direct result of the Boone County Sheriff's Department Cyber Crimes Task Force working proactive investigations involving the distribution and possession of child pornography files using the Internet.

The investigation leading to this arrest began in late December 2015 when an investigator with the Task Force downloaded child pornography from a computer located in Columbia, Missouri. During a on scene examination of the devices, hundreds of images depicting the sexual molestation of children as young as babies and toddlers were recovered.
